GREAT TITS, PERFECT NIPS

Dear *Voluptuous*,

Veronika (Dec. '13) has an incredible body and a face to match, I can never get enough of this beautiful woman. I really love those amazing tits and perfect nipples.–Jim, address withheld, via the Internet

PLAYING THE ROLES THAT BRING FANTASIES TO LIFE

Dear *Voluptuous*,

The December '13 issue should have been called "The Role-Playing Edition." You had Renee Ross dressed as a German barmaid for Oktoberfest, Anna Kay as a nurse and Rockell as a cowgirl.

Veronika is the chairwoman of busty girls with big, chewy nips.

Renee is certainly one of the prettiest models to grace your pages, not to mention her 40J-cups, some of the best ever seen. She should be in anybody's Top 10 pairs of all time. But Renee has great camera- and audience-awareness as well. She's almost Linsey-like with her penetrating, seductive look and her dazzling, bluish/green eyes. She communicates very well with her facial expressions. And her smile just wins me over.

And then you have Rockell. Is there any doubt that she was the best to debut in 2013? The girl is the total package: pretty, seductive, penetrating green eyes, an inviting smile, nicely textured, perfectly shaped G-cups and a nicely thick, well-proportioned body. What more can you ask for? A nice personality? Okay, I believe she has that, too, based on the quotes and her interview, which shows her to be nowhere near being anti-social. After all, she is a Southern belle, right?

Is Rockell the best model to ever come out of Alabama? Autumn-Jade might have something to say about that, but it's debateable.

Natalie Fiore is one of my favorite models of all time. Natalie seduces skillfully with her body language. She's definitely one of the best when it comes to teasing as she strips down methodically. She's also shown flashes of being romantic. I used to think Natalie was underrated, but that's certainly not the case now, especially after one of the most-significant growth spurts, going from triple-Ds to a full H-cup. Since her October '09 pics as a G-cup, she has re-invented herself, and I bet her new, natural H-cups have a lot to do with that. It's amazing what a growth spurt can do for a model, and she didn't have to pay one cent for them!

54Carrie Ashton showed off her pierced nipples in the December '13 issue. Anna Kay was a nurse with a unique bedside manner. Renee Ross was the beer maiden of our fantasies. Cowgirl Rockell made us want to ride her!

Natalie is a good model anyway, but add three natural cup sizes and she's even better.

Scarlet LaVey reminds me of Dors Feline with her tattoos and subtle demeanor. She has some pale, nicely textured and full H-cup naturals. Nice black see-through get-up she has on as well. And, boy, as far as her pussy is concerned, she spreads 'em!

Nice newcomer in Rene Love, who resembles the V-Girl legend Kim Eternity in her younger days.

Lastly, Carrie Ashton has a pretty face, a nice, dazzling smile and a well-proportioned body that's huggable. The only thing I'm not crazy about are her pierced nips. I'm not into pierced nips. I'll even accept pierced clits over pierced nips.–S.M., Baltimore, Maryland

THE REASONS HITOMI IS A V-GIRL AND VENERA ISN'T

Dear *Voluptuous*,

I was wondering when Venera will be modeling her natural, veiny boobs in *V-mag*. She weighs about the same as Japanese boob queen Hitomi, who has already been in *V-mag*.

Gracie Blue looked so hot in her debut pics in the December '13 *V-mag* and the November '13 *XL Girls*. I especially love her piercing blue eyes and juicy slit. The closeup pics of her hairy twat and the half-page ass shot were so mouth-watering. I love how she has her titties firmly together while displaying her meaty and hairy slitty. I also loved that pic of her titties hanging out over her bra whle she's still in her panties. I get all horny thinking of how great it would be to eat and lick Gracie's love juices.

On the second day of writing this letter, I got some alone time and blew a load for Ms. Blue's sweet and juicy slitty. I can't wait to see this busty newcomer in more layouts.

Rene Love looked like a babe with her tits ready to fall out of her dress on page 29 of her December '13 layout. Her booty looked so perfect in those sexy, white panties. Please get Rene to pose bent over with her lovely booty up in the air.

In the September '13 *V-mag*, I loved how Shyla Shy squirted milk out of her engorged titties and how juicy her pussy was looking.–G.V., Canada

Dear G.V.: A model's weight is only a minor factor in deciding whether she belongs in V-mag. *Body-type is a much more important consideration. So, although Hitomi and Venera weigh about the same, Hitomi's body is more voluptuous (she's 5'1", 110 lbs.)*

Venera (near right) and Hitomi (far right) weigh about the same, but Hitomi is a V-Girl and Venera is a *SCORE* Girl.

while Venera's is more slim 'n' stacked (she's 5'3", 112 lbs). For that reason, Venera has appeared only in SCORE. *The same goes for recent newcomer Sha Rizel, who we'd also call slim 'n' stacked, not voluptuous. Having big, natural tits is not the only criteria for being in* V-mag.

As for Shyla Shy, she does plenty of squirting (and fucking) in the DVD Preggos & Milkers, *available on page nine. The entire second disc of the DVD is devoted to her progression from pregnancy to post-pregnancy.*

IT'S ALL ABOUT THE TITS. THE PUSSY IS SECONDARY

Dear *Voluptuous*,

In the May 2013 edition, a reader complained about the publication of models not willing to show their pussies. I can not understand how someone can think his opinion is the only one that matters.

We live in a world where every person has different tastes. I buy your magazine to enjoy breasts and other curves. I don't care about pink and XXX. I just accept that there are other readers who do enjoy it and I don't mind. Not understanding that other people have tastes, too, is worse than being narrow-minded.

For me, not showing pink does not mean these models feel too good about themselves to do so. They just don't want to, and that's their right. That makes them even more attractive. I'm on the opposite site of that reader, but I don't go complain that your magazine should not show pink. Yes, I would like more big pictures just about the body and breasts and not about pink, but I'm old enough to realize that the world is not just about me.

Maybe that reader should just grow up or start his own magazine and find the models. Big breasts are awesome, and I can't find a reason not to publish more of Leanne Crow, Ashley Sage or any other model.––B.V., Belgium, via email

Bex Shiner (above left) will only show her tits when she debuts next issue. Maybe she'll make the transition from topless-only to showing her pussy as Melissa Manning (above) did. Or to fucking, like Maggie Green did.

MORE ON THE PINK DEBATE

Dear *Voluptuous*,

I've just about had enough of these people running off their mouths about who should show pink. Ashley Sage Ellison and Leanne Crow both are very attractive. So what if they don't want to show pink? We should like them for who they are. Hitomi made Model of the Year. She didn't show pink. I understand why, and I applaud her reasons. Does that take away from her beautiful body? No!

Models before them like Nadine Jansen, Bea Flora and Karla James did not show pink. C'mon, give these women a break. My favorite model of all time, Lorna Morgan, never showed pink, and she still went on to be one of the *V-mag* greats. *[Editor's note: Lorna did show pink.]*

What's the future of *V-mag*? Time will tell. I know we are all entitled to our opinion, but guys, leave these women to do what they do, which is entertain our fantasies, pink or no pink.–J.A., Carlsbad, New Mexico

be "Titties Galore" because her breasts are so amazingly abundant. Also, she is pretty, sexy, thick and superbly built with luscious curves.

I don't know why these fine sistas aren't rating higher in your big-titty contests. Like Rene, they definitely have the big breasts, bodies and faces to take on any of the competition.

BIGGER IS BETTER

Girls…sometimes they don't see themselves the way we see them. Take Jessica. She's getting ready for her high school reunion and feeling insecure. "I just want to look good, and I don't feel I do," she tells Tony. "It's my high school reunion, and I'm a little bigger than I was back then. I grew." Yeah, she grew…into F-cup tits and a big, round, sexy ass. Tony tries to tells her how sexy she looks, but words just won't do. He's going to have to prove it.

Tony wants to cum on Jessica's tits, but her pussy is so tight and good, he can't help but cum inside. "Are you feeling better about yourself?" Tony asks as his love fluid streams out of Jessica's pussy. "Yeah, I am," Jessica says, and it looks like she won't make it to that reunion.

If you had to share Sabina Leigh to fuck her, would you?

TWO INTO ONE EQUALS FUN!

Dear *Voluptuous*,

Sabina Leigh (Dec. '13) is just sex on a cracker. I'm not really into sharing, but I'd bang her with another guy in a heartbeat. Even faster solo! Bring her back for more soon.–Dan, address withheld, via the Internet

TITS, ASS & A BIT OF CLASS

Dear *Voluptuous*,

For quite some time I have been a fan of buxom women with character and flair. But there are some things that I feel will improve your publication. For example, some wardrobe additions such as formal gown gloves (full-length), designer sunglasses, various forms of women's lingerie and sheer girdles.–D.B., West Brentwood, New York

HUSBAND AND WIFE WANT TO ENJOY ALL OF ROCKELL

Dear *Voluptuous*,

My husband and I look forward to receiving our new issue of *Voluptuous* each month. We like to look at the models and compare our favorites. In the December 2013 issue, we agreed Rockell is the sexist model yet. We call Alabama our second home. Rockell just adds to the beauty of the state. We would enjoy a hot evening with her.

Sabina Leigh's layout with the hung studs was hot!–Kimmy, Dawson Springs, Kentucky, via email

Lily Madison

Redhead alert!

Lily's big, Brit tits will keep you cumming!

INTERVIEW BY
DAVE ROSENBAUM

As we said in the February '14 issue, "The latest invasion of busty Brits continues!" Busty British naturals, of course. They've been in large supply since 1996, when Linsey Dawn McKenzie debuted, and the big, British tits just keep on coming…and keep us cumming!

Only 22 years old, Lily Madison is the kind of girl who gets us excited. She's pretty. She has long, lush red hair. And she has big, impossibly firm, tan-lined, G-cup naturals.

Lily has been web-camming for two years, but this is her first time showing her spectacular body in a magazine. We were so excited about Lily we flew her to Eleuthera, the Bahamas for a week of beachside photo shoots, before flying her back to our studio in Miami, Florida so we could get to know her better.

V-men, prepare to fall in love.

V-MAG: Hi, Lily, and welcome to *Voluptuous*. You're having a bit of an adventure, aren't you?

LILY: I am! I went to the Bahamas from London and shot lots of videos and photo sets on the beach and by the pool, and then I arrived in Miami, and here I am in the *Voluptuous* studio!

Vmag™
DEBUT

V-MAG: Which is where you belong. Eleuthera is beautiful, isn't it?
LILY: Yes. I've never been anywhere like that before. I haven't been to many beaches.
V-MAG: Where exactly in the UK are you from?
LILY: London.
V-MAG: Born and raised?
LILY: Yes.
V-MAG: Had you ever gone topless on a beach before?
LILY: I had but not on a topless beach, just where I flashed and did things I'm not supposed to. I have done some sneaky flashing.
V-MAG: When you flash a guy, what's his reaction?
LILY: *[Laughs]* Kind of shocked. Mouth open. Just shocked.
V-MAG: Girls like you with boobs like yours don't come along often. We've always thought the UK is the land of big boobs.
LILY: I've heard that a lot. A lot of American guys say to me, "So many English girls have massive boobs. Is there something in the water? What are they feeding you because you all have such big, natural breasts."
V-MAG: Is it true?
LILY: I guess so. There are a lot of girls with big, natural breasts in England.

“I don’t mind showing off my body at all.”

V-mag INTERVIEW

V-MAG: Some of our most-famous girls are from the UK. Do you know some of them?
LILY: I've seen some of them. I've never met any. I've seen them on the website.
V-MAG: So if I said to you, "Linsey Dawn McKenzie," would you know who she is?
LILY: No. *[Laughs]*
V-MAG: Really? I know why. You're young! How old are you?
LILY: I turned 22 last April.
V-MAG: So when Linsey made her debut in 1996, you were five. Wow! Do you know who Nicole Peters is?
LILY: No.
V-MAG: Kelly Kay?
LILY: No. I'm a newbie.
V-MAG: How big are your boobs?
LILY: They are 34Gs.
V-MAG: So you're really small around the ribcage and big in the boobs.
LILY: Yes. I was a D-cup when I was 13.
V-MAG: What's the legal age of consent in the UK?
LILY: Sixteen.

Vmag
INTERVIEW

V-MAG: When you were 16, old enough to show your boobs, how big were they?
LILY: An E or an F.
V-MAG: Are you still growing?
LILY: My breasts? I don't think they're growing anymore. Some of my bras are getting tight, but most of them fit.
V-MAG: When you gain weight, does it all go to your boobs?
LILY: Yeah. Everything goes to my boobs. Including eyes.
V-MAG: Are you the bustiest person you know?
LILY: Yes. By far. I have a couple of busty friends, but none of them are as busty as myself.
V-MAG: When you go out in public, do you get a lot of attention?
LILY: Yes. Guys normally make comments. Sometimes they shout things over the street at me like, "Oh, my god, big tits." "Look at the size of her boobs!" Like to their friends.
V-MAG: I have a theory about that. Guys shouldn't say to a girl, "Big tits." They should say, "Nice tits." That's a compliment.
LILY: Exactly. I know I have big tits. "Big tits" is just an observation.
V-MAG: And you've never modeled for a magazine or website?
LILY: No. I do webcam modeling, but it's not modeling as such.
V-MAG: What is it?
LILY: It's all online, and it's like stripteases for guys. Private chats.

V-MAG: And you've been doing that for how long?
LILY: Two years.
V-MAG: So two years ago, you figured out that guys would pay money to watch you play with your boobs. How did you come to that conclusion?
LILY: My friend found some websites, and we were like, "You can get paid for sitting around and taking your top off?" We didn't believe it. We were young and didn't know about these things, and then we started doing it and found out that people would pay money for it, and it went from there.
V-MAG: You were not aware until you were 20 that guys would pay to see your tits?
LILY: *[Laughs]* Yeah. I had never heard of anything like that before.
V-MAG: Lily, you just squeezed your tits together. Did you realize you just did that?
LILY: No. Guys always say, "I love it when you squeeze your boobs. You don't even notice you're doing it." They're in the way!
V-MAG: Lily, your boobs are not in the way! Anyway, back to webcamming. Do you like it?
LILY: Yes. I love it. It's so much fun. We can do crazy things. I can even stand there hula-hooping in a bra and guys will love it. We can do fun things. We can be really creative, and we get to meet the most interesting people.
V-MAG: Fun things like what?
LILY: Hula-hooping and dressing up and raffles and games.
V-MAG: Anything, perhaps, involving beer or soda cans?
LILY: *[Laughs]* Yes! I can crash cans between my boobs. I can crush cans with my cans! Wanna see?
V-MAG: Sure! *[She demonstrates]* How did you find out you could do that?
LILY: I was at a music festival, and a guy was looking at my chest, and he had a beer can, and he came up to me and said, "Do you think you could crush this between your breasts?" And I said, "I'm not sure. I guess I'll try," and so I did it, and everyone was cheering. And that's how it happened.
V-MAG: How drunk was he?
LILY: He was very drunk. And once I knew I could do it, I kept doing it.
V-MAG: That's an amazing skill. So, two years of webcamming, and then you found your way into our lives. Did we find you or did you find us?
LILY: Lots of American guys kept saying to me, "Oh, you should be in *SCORE* and *Voluptuous*." So I said, "What's that?" and they'd say, "It's a magazine. This is where you should go and apply." So I looked into The SCORE Group and started talking to you on Twitter, and then we emailed back and forth, and eventually you said, "We want you to come and shoot for us." So I said okay.
V-MAG: Does it surprise you that there are websites and magazines devoted to women with big boobs?
LILY: I have so many guys who tell me that they love big breasts that it doesn't surprise me.
V-MAG: What do you think about big breasts? Do you like them?
LILY: I love them. I can't imagine having smaller breasts, and I do like them on other girls, too. Having big breasts makes me feel womanly.
V-MAG: They're very impressive. Nice tan lines, too.
LILY: I've always had them. And I'm very pale.
V-MAG: Are you aware of how big your areolae are?
LILY: Guys tell me all the time. They say, "Can you measure them for us?"
V-MAG: Let's measure them.
LILY: Okay. *[She takes a tape measure and measures them]* Four inches. Maybe a little bit more.
V-MAG: Maybe close to five inches.
LILY: Of course, I can't see them when I look down.
V-MAG: And they will get darker as you get older. They're very pale now. And your boobs are very pointy. Thirty-two G?
LILY: Yes, but when I buy bras, I usually buy a 34G.
V-MAG: You have a small ribcage for having boobs that size. So, now you're a magazine model. Other than perhaps a close friend, does anybody know about your webcamming or modeling?
LILY: Everyone knows! *[Laughs]* Friends, family.
V-MAG: How do they react?
LILY: At first they were a little bit worried, but my family is very supportive and they stick by me. As long as I'm happy, that's all they care about, and I'm very happy.
V-MAG: I read on your model info sheet that you want to visit Japan.
LILY: I love Japanese fashion, culture and food, and I haven't had a chance to go there yet.
V-MAG: And the vending machines…
LILY: Oh, yeah! *[Laughs]* I heard that in Japan, you can buy used panties in vending machines, and I want to see if

"I once handed out flyers while wearing a top with a low neckline and a short skirt," Ukrainian 21-year-old Anya Kovac said when we asked about the most-fun job she's ever had. "All the men were taking flyers and looking down my shirt. I gave them all away in 10 minutes!"

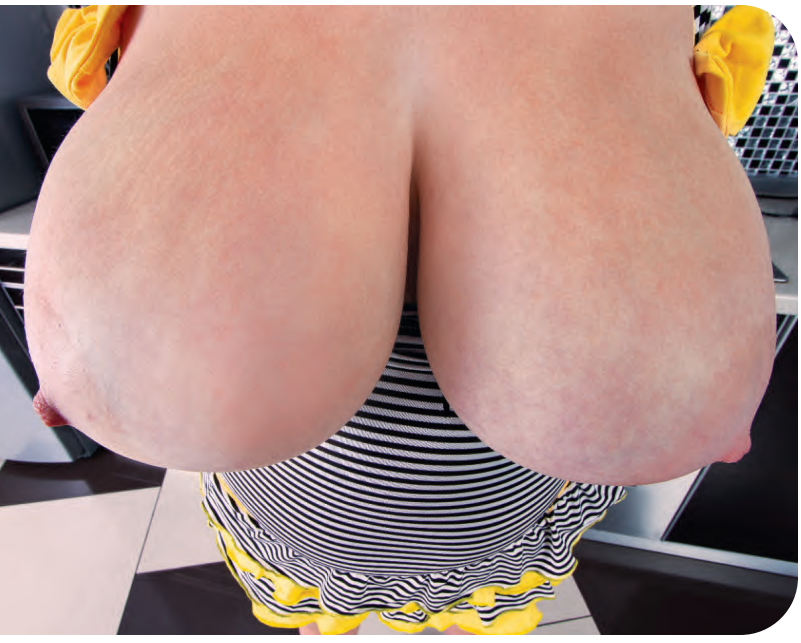
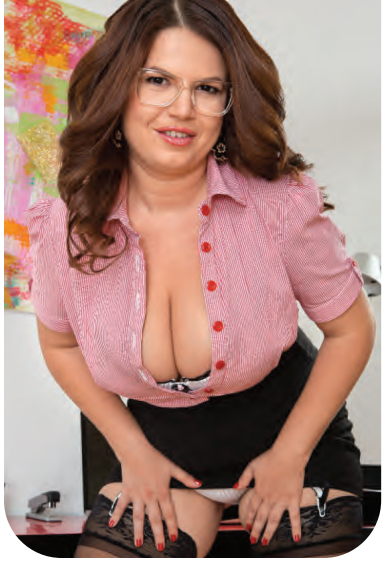
Born and Lives: Ukraine
Previous *V-mag* Appearance: June ′13
Video: A solo video is online at Scoreland.com



This is Anya's second appearance in *V-mag*. She debuted in the June '13 issue and was thrilled when she saw her layout. "I showed the magazine to all my friends," she said. "I even showed it to some people who are not my friends." Such as? "I was at a restaurant, and I saw a nice man, and I took the magazine out of my purse, walked over and handed it to him."

Can you imagine sitting at a restaurant and having a sexy, pretty, super-busty girl like Anya walk over and hand you a copy of *V-mag*? "I could see he was shocked, like, 'What is this?' But then I said to him, 'Turn to page 57, and he did, and then he looked at the pictures, and then he looked at me as if he was trying to figure out if we were the same person. And then I said, 'My name is Anya.'" And then what happened? "He didn't finish his dinner, but he got a personal show… and a lot more."



VICKY SOLEIL

"I like to wear short skirts with big *décolletage*," said Vicky, an E-cup Romanian newcomer who's getting naked for the first time in a men's magazine. "I like to show off my breasts. I am very proud of them."

"My breasts have been growing since I was 11 years old," Vicky said. "I was one of the bustiest girls in my school, and all the guys were staring at me." They're still staring. "In my country, I usually can't find a bra that fits my big tits in a normal store."

"In sex, I'm more submissive," Vicky said. "I like to be a woman. I like anal play. Licking and fingering and sometimes anal sex." Vicky's a spitter, but that's okay. "I spit to have the man's cum all over my tits and face." Her face? "I lick it off," she said. "Or you can just cum on my tits, whatever you want." Is that woman enough for you?

ANGEL DELUCA

UNDERCOVER ANGEL

You might have noticed that Angel looks a little different from how she looked when we first saw her in the July ’12 issue. She’s changed her hair color from dark brown (with a bit of a Goth look) to reddish-brunette (with a very girl-next-door look). Or maybe you didn’t notice because you were busy focusing on Angel squeezing a cock with her G-cup hangers and sucking on Juan’s big rod while she spreads her ass cheek. “I didn’t have sex on-camera last time, but I thought it over and felt I was ready,” Angel said. “I really love the idea of being watched. I’m an exhibitionist.”

Birthday: July 21, 1987 **Age:** 26
Height: 5′6″ **Weight:** 182 lbs. **Bra:** 34G

Born & Lives: California
Previous Voluptuous Appearance: July ′12
DVDs: *Large Lovin′ 3* (XXX-Rated) and *Ready For Stuffing* (X-Rated). Both available on page nine.

Angel is married…to a woman. And they're both into guys. And sometimes they invite a guy into their bed. "One time we were making out, and I guess we forgot our friends were there. We did everything, and there were about five guys watching us. It was an adrenaline rush."

Angel DeLuca

"I love missionary," Angel said. "It's very sexual and intense, and I feel more pleasure. It's the intimacy between the two and feeling how much you want each other. Being watched while having sex in the missionary position? That's even better!"

"I started to develop when I was 14, but before then, I was extremely flat-chested and skinny," said 20-year-old Marie, a newcomer from Los Angeles. "By the time I got to eighth grade, I was even bustier than the teacher." And now, Marie is bustier than 99.9% of the women on the face of the Earth. She's a J-cupper and a real attention-getter. "Guys stare a lot," she said. "Sometimes I feel like saying, 'My eyes are up here!' But not this time. I'm here to show them off!"

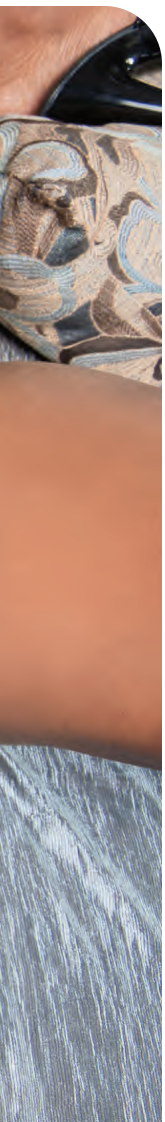
BARE FACTS

Marie Leone

Birthday: December 14, 1993
Age: 20 **Height:** 5′2″
Weight: 138 lbs. **Bra:** 34J
Measurements: 44-30-40
Born & Lives: California
Occupation: Mobile mechanic
Video: Her first boy-girl scene is at SCOREVideos.com

Marie's voice is as distinctive as her brickhouse 44-30-40 body. It's an adorable, babydoll voice that makes her sound much more innocent than she is. We asked Marie why she came to our studio, and she said, "I don't know. Stuff." What kind of stuff? "Doing it." Sucking and fucking stuff, and you can see her in action at SCORE Videos.com. But notice how she didn't say "sucking and fucking stuff." Why? "I don't talk dirty because I don't curse. It's funny, right? Look at me doing this and I won't even say the F-word."



Marie's hobbies are "drawing fairies and cute little things and working on cars." She doesn't play any sports because "the balls always hit me in my boobs." She does have a special skill, though. "Don't laugh, but I can juggle while hopping on one leg, trying to dance or whistle or sing or sometimes all of those at the same time." Why would we laugh? Her wildly jiggling J-cups would be something to remember. Just like Marie.

How to become a V-Girl

Dani Moore

Not too long ago, Dani Moore was living the happy life of a busty small-town girl in Texas. Being in a men's magazine never crossed her mind. But then, a friend told her about *Voluptuous*.

"He said I should apply and I'd be perfect for you," Dani said. " So I did, not thinking that I would get picked."

Turned out that Dani had all the right qualifications: DDD-cup naturals and the willingness to show them. Before long, she was flying from Texas to our studio in Miami, Florida for her first photo shoots ever.

2013 *V-mag* AWARDS UPDATE

The ballots are pouring in for the 2013 V-mag Awards. Here's a recap of the voting so far.

For Newcomer of the Year, Roxi Red and Rockell are tit-to-tit in a tight battle, but the race is too close to call.

Model of the Year is also very tight with Hitomi, Siri, Micky Bells and Gya Roberts going back and forth for the lead. Micky has pulled into the lead for Plumper of the Year, but Renee Ross, Kristina Milan and Arianna Sinn are close behind.

Only a few votes separate the top six girls for XXX Performer of the Year while Felicia Clover has taken the lead over Karina Hart for Ass of the Year.

We'll announce the winners in the May '14 issue of *V-Mag*, on-sale March 4.

Micky Bells looks ready to celebrate.

Then sign it and mail your entry to: Win Lily Madison's Bra, *Voluptuous* Magazine, 1629 NW 84th Avenue, Miami, Florida 33126." Just one entry per person, postmarked by March 31, 2014. It's a special thing when a girl makes a double-debut in *Voluptuous* and *SCORE*, and Lily is special. Her March '14 *SCORE* debut issue might still be on newsstands, but if it isn't, you can order your copy at eBoobStore.com.

Welcome to the Big Show, Lily!

Lily signs the big prize.

"I was one of the 'Big-Boob Girls' in high school," Cameron said. "I was friends with a group of girls, and half of them had big boobs and half of them didn't. The half that did have big boobs were the BBGs. The other half would say they wished they could share some of ours."

CAMERON SKYE

COWGIRL'S GOT THE BOOBS

Born in Maryland, now living in Las Vegas, Nevada, Cameron is now one of the Big-Boob Girls of *V-mag*, and she's bustier and fuller-figured than the first time we saw her. "Most people I know would be really surprised to see me here," she said. "But that is part of the thrill of coming here. I get to put aside what I do in real life and live a fantasy. It's just different and thrilling. I love hearing what the guys in the magazines and the websites have to say."

Video: Her first XXX boy-girl scene is at Scoreland.com

Cameron is a charming girl-next-door with a friendly, bubbly personality. Every time we saw her in the studio–well, almost every time–she was smiling and laughing. Notice how we said "almost" every time? The other times she was… "Fucking! I know, it's very exciting. The first time I was here, I did a tits-and-tugs scene, which was fun, but then I went home, thought about it with my husband and decided to go all the way." And, so, Cameron can be seen sucking and fucking right now at Scoreland.com and soon in *V-mag*. So stay tuned.

MARILLE

"Czech women are more liberated than Americans," said Marille, who on this page is doing the Marilyn Monroe thing the way Marilyn should have done it. "In America, it's a scandal if a woman shows one nipple on television. In my country, we appreciate the body. It's a beautiful creation."

INTERVIEW

Continued from page 28

it's true, and I want to buy some. I always have to sell my used underwear from webcamming, so to see it in a vending machine cracks me up.

V-MAG: How much would you pay for a pair of used panties?

LILY: I don't know. *[Laughs]*

V-MAG: Now, I understand that you have a special talent. Besides having great boobs, of course.

LILY: I can balance things on my head.

V-MAG: Like what?

LILY: Drinks. Plants. Books. *[Laughs]* I've been able to balance things on my head since I was a child. I can balance a book on my head and jiggle my boobs at the same time, too.

V-MAG: That's quite a talent. Balancing a book on your head sounds like something they'd have you do in dance school. Have you ever been a dancer?

LILY: Nope.

V-MAG: A waitress? They have to balance things, too.

LILY: Nope.

V-MAG: Besides being a webcam model, what have you done?

LILY: Before I got into webcamming, I was studying, and I worked as an assistant for a dentist.

V-MAG: Was he a boob hound?

LILY: No.

V-MAG: And what were you going to school for?

LILY: Fashion photography. I want to go into set design and interior design. I'm going to go back to college. I was supposed to go back to college already, but webcam modeling is addictive.

V-MAG: I've heard a lot of girls say that. How come?

LILY: It's great. It's fun. It's exciting.

V-MAG: Did you ever envision yourself doing this?

LILY: No. I was always on the other side of the camera, and I thought, "I'm too short to do modeling." I didn't think I'd ever get any work as a model, and then with the webcam modeling, everyone said I should be in guys magazines.

V-MAG: Would you describe yourself as outgoing or shy?

LILY: In-between.

V-MAG: In what ways are you shy?

LILY: Sometimes I can be uncomfortable around people I don't like, but apart from that, I'm confident.

CHERRY BRADY

CHERRY'S BIG-TIT TRICKS

"I can do a lot of fun things with my tits that most women can't do," said Cherry Brady, a *V-mag* legend and all-time favorite who has been keeping us hard since 2002 with her down-to-earth sex appeal and hourglass figure. "My boobs are very pliable even though they're so heavy, so I can do a lot of tricks with them. Wanna see some?" Of course we do, Cherry. So, turn the page, V-men, to see Cherry doing some things you've probably never seen her do before.

Cherry crosses her arms in front of her chest and lets her G-cup naturals flop over her forearms. "Try that, C-cuppers!" Cherry said, laughing. She stacks one breast on top of the other and licks a nipple. "I can do that because I'm stacked!" Cherry said before taking another lick. She lifts her breasts by the nipples "because it feels good," then she gives both of them a nice, hard pinch. "That should be a lesson to you guys about how to treat a pair of tits!"

BARE FACTS

Cherry Brady

Birthday: December 25, 1970 **Age:** 43
Height: 5'3" **Weight:** 150 lbs. **Bra:** 36G
Measurements: 42-30-40
Previous *V-mag* Appearances: Sept. '12, Holiday '11, July '11, Holiday '10
DVDs: *Greatest Big-Bust DVD Ever, Vol. 3*, *Ripe Racks 2* and *V-Girls Next Door* (X-Rated, order on page nine)

We've seen Cherry sucking and fucking, but there's still nothing like a Cherry Brady Tit Show. "You guys at *V-mag* have given tit men their own little place to come and see what they like," Cherry said. "All other porn, the girls look exactly the same. Not V-Girls." And definitely not Cherry.

INTERVIEW

Continued from page 76

V-MAG: Would you call yourself sexually aggressive. With a guy on a date, for example? Will you let a guy know you like him?

LILY: I'm not afraid to make the first move. I'll hold his hand. Try to kiss him. If I like a guy, I'll let him know it. No sense waiting around.

V-MAG: Let's say we saw you out and about. It's July in London. A nice day What would you be wearing?

LILY: Probably a short summer dress. Low-cut. Tight in the waist. I don't mind showing off my body at all, but I also don't put it all out there. It's already out there enough! *[Laughs]*

V-MAG: What's the funniest reaction you've ever gotten from a guy when he sees you?

LILY: Guys just always shout things about my boobs like, "Hey, big tits!" That's about it. Never anything too imaginative. I think if a guy ever said anything imaginative, he'd probably get my attention. *[Laughs]*

V-MAG: Let's say a guy wants to get to know you. What should he do?

LILY: Well, he probably shouldn't try to put his face in my boobs, which has happened before. Guys have said, "Can I put my face in your boobs?" They shouldn't do that. If you can make me laugh, you have a chance. I like guys with a good sense of humor.

V-MAG: What are your hobbies?

LILY: I really love swimming, and don't make any jokes about whether my breasts float. They do, of course. I like decorating cookies, taking photos and going to music festivals. I like a lot of different things.

V-MAG: Do you think you get noticed more for your hair or for your boobs?

LILY: Boobs. Guys say nice things about my hair, but mostly my boobs.

V-MAG: You know those T-shirts that say, "My eyes are up here"?

LILY: Yes. I need one of them. *[Laughs]* Guys are always talking to my chest.

V-MAG: So, Lily, thousands of guys are going to see you in *Voluptuous*. They're going to fall in love with you. What's your reaction to that?

LILY: It's still a bit crazy at the moment, but it's beginning to sink in. I think it's going to be a lot of fun.

V-MAG: Thanks for being here.

LILY: Thank you for having me.

NIKKI SMITH

"Are you a bad girl?" Nikki's stud asks her, but she can only nod and say, "Mmmm-hmmm." "Are you a really bad girl?" "Mmmm-hmmm." But just how bad? The ball gag comes off, and then we really find out.

SUBMIT TO PLEASURE

"I love bondage," Nikki said. "I love to be tied up. I'm very assertive when it comes to going after what I want, but once I get it, I want my man to have his way with me. I love when a man controls me in the bedroom." Being controlled means having her face fucked and gagging on cock while forcing her head down deeper. It means getting on all fours and getting rammed from behind. Yes, Nikki's a girl-next-door. But we never said she was a good-girl-next-door.

BARE FACTS

Nikki Smith

Birthday: May 10, 1989
Age: 24 **Height:** 5′4″
Weight: 184 lbs. **Bra:** 38H
Measurements: 45-34-40
Previous *V-mag* Appearances: April ′13 (XXX), March ′13
DVDs: *Large Lovin′ 3* & *The Breast of XL Girls 2* (XXX-Rated. Order on page nine)

"When it comes to dating, I'm a little old fashioned," Nikki said. "I don't usually kiss on a first date. I definitely don't have sex on a first date. I only choose to have intimate sex with a partner if I feel the relationship is going to last a little while. Not everyone who takes me out is gonna get laid. I just like to have fun. But if our relationship does progress to the bedroom…well, I learned about sex from watching porn. Does that tell you anything?"
